Vendor Panel

1. Vendors need to enrol themselves to enter into the system.
2. Once vendor's email is verified, vendor can login with user id and password. If vendor has any older certificate data, those would be shown in their panel.
3. Vendors can see different advertisements from different factories.
4. Vendors can apply by filling VRRF. VRRF would be pre-filled from next time using previous input data.
5. For a new registration, vendors can clarify to factory, if asked for or if needed.
6. Vendors can see schedule date for physical verification.
7. Vendors can see the stages the application passes in the My Applications, Addendum, Amendment and Renewal list.
8. Vendors can download certificates after those are generated from the factory panel.
9. Vendors can request Addendum, Amendment and Renewal for a registration.
10. For all the process vendors will be notified through emails.
