<b>CONVERSION OF ARMING DEVICE HOLDER TO DRG.NO. 304076392 ISSUE I (DC NO. 37448-A) TO ARMING DEVICE CASING ASSEMBLY TO DRG NO. 05209556 EDITION 3 (DC NO. 37448-A) CODE: W412020006 END USE: 84MM HEAT 551</b>	-NA-	<ul style="list-style-type: none"> <li>Suitable Rubber Moulding press with heating facility.</li> <li>Rubber Mixing Mill.</li> <li>Rubber Extruder/ Rolling Mill.</li> <li>Suitable Heating Oven.</li> </ul>	<ul style="list-style-type: none"> <li>Rubber Testing facilities as per tests specified in drawing and specifications such as:-                             <ol style="list-style-type: none"> <li>Tensile tester.</li> <li>Shore hardness tester.</li> <li>Determination of Low Temperature Retraction tests (TR 10, TR30)</li> <li>Tear strength checking facilities.</li> </ol> </li> </ul>

**B. Other standard terms & conditions will be as under:**

1. Firm shall arrange the required desirable facilities from reputed source, if the same is not available with the firm. The firm has to enclose MOU / Tie-up letter of the reputed source for outsourcing desirable facilities along with the technical bid offered.

2. During the technical bid firm has to submit rubber raw material sample (in proper dimension) as per technical specification attached with tender to Ordnance Factory Ambajhari (OFAJ), Nagpur **within - 10 days after tender opening date in -** sealed condition with proper identification, for carrying out Tear Strength Test and NG Vapour Ageing Test. OFAJ will arrange the NG Vapour Ageing Test through Ordnance Factory Bhandara and the expenses incurred in the above testing will be borne by OFAJ and for Tear Strength Test firm will **have to** arrange at their end and same will be witnessed by OFAJ Rep. **Only those firms will be considered technically qualified, whose Rubber Raw material samples will qualify in the Tear strength Test and Ng Vapour Ageing Test as per the technical specification.**

3. Firm has to arrange the raw material of specified grade mentioned in relevant specifications & drawing and to arrange the inspection facilities and requisite test certificates from Govt. approved / NABL Lab. Firm must confirm the same in technical bid.

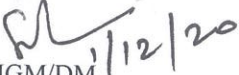

4. The firm has to arrange for suitable packing of the stores to protect the store damage during storage & transit deterioration, if firm gets the order. Firm must confirm the same in their technical bid.

5. All the required facilities, whether in-house or outsourced should be capable and suitable for producing/supplying the component as per quality requirement projected in the monitoring instruction/drawings/specifications. Firm must confirm the same in their technical bid along with self-declaration of capability of firm and its sub vendors and also submit the list of available Plant & Machinery and inspection facilities.

6. The firm shall have supplied same/similar category of items to other firms. The firm will provide the details of same/similar category of items supplied to other firms in last three year with details of purchaser.

7. Bank Guarantee : Firm has to submit requisite Bank Guarantee against the FIM issued as a security deposit.
