

Manufacturing Technology :

1. Hydraulic/Mechanical Press
2. Injection Moulding
3. Multimeter
4. Lathe
5. Gold/Silver plating
6. Soldering
7. Drilling/Tapping

Inspection Technology

1. Electrical non-conductivity of pins
2. Plating thickness
3. Non-conductivity test
4. n-heptane test
5. Thread gauge
6. General Engineering Equipment for measurement
