

NOTE :-

1. Multi-textured jagged-surface for enhanced grip when handling and reloading
2. Disassembled by hand, no tools needed
3. Spring Design:
 - 3.1. Long-lasting cathaphoresis-coated stainless-steel spring of suitable material for ideal corrosion protection and functional in conditions of high and low temperatures and corrosive atmosphere.
 - 3.2. Asymmetric spring profile with changing curve/radius for optimal reliable feed
 - 3.3. Long-lasting spring design for extended duration in loaded storage
4. Over-travel protection and tilt proof low-friction follower for increased reliability
5. Durable, lightweight, impact and crush-resistant reinforced allpolymer construction
6. Allows rapid visual identification of remaining rounds from 10 to 30 via transparent viewing window
7. Compatible for 7.62x39 AK 47 AKM variants
8. Includes a Floorplate accessories rail, with a provision for optional Speed-Pull accessory for easy drawing of the magazine from a pouch
9. Weight - 200g (max)
10. 30 Round Polymer Magazine
11. Working Temp. Range : -40°C to +50°C
