B. Other standard terms & conditions will be as under

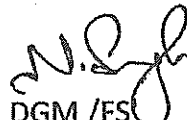

1. Firm has to arrange the required desirable facilities from reputed source, if the same is not available with the firm. The firm has to enclose MOU / Tie-up letter of the reputed source for outsourcing desirable facilities along with the technical bid offered.
2. If the requirement exists, the capacity verification of the sub-vendor for outsourcing the desirable facility has to be arranged by the firm. Firm must confirm the same in their technical Bid.
3. Firm has to arrange the inspection facilities & gauges as mentioned in quality monitoring instructions, drawing & relevant specification, if firm gets the order. Firm must confirm the same in their technical Bid.
4. The firm has to arrange suitable packing of the store in such a manner so as to prevent damage in handling, storage and transportation.

5. All the facilities, whether in-house or outsourced should be capable and suitable for producing the store as per quality requirement specified in relevant standards & mentioned in the monitoring instruction. Firm must confirm the same in their technical Bid & submit the available Plant & Machinery list and inspection facilities in detail.
6. The firm will provide the details of similar store manufactured & supplied to other firms in last three year with details of purchaser.

Submitted for kind approval please.
