B. Other standard terms & conditions will be as under

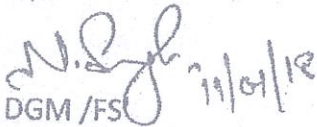

- Firm has to arrange the required desirable facilities from reputed source, if the same is not available with the firm. The firm has to enclose MOU / Tie-up letter of the reputed source for outsourcing desirable facilities along with the technical bid offered.
- If the requirement exists, the capacity verification of the sub-vendor for outsourcing the desirable facility has to be arranged by the firm. Firm must confirm the same in their technical Bid.
- Firm has to arrange the inspection facilities & gauges as mentioned in quality monitoring instructions, drawing & relevant specification, if firm gets the order. Firm must confirm the same in their technical Bid.
- The firm has to arrange suitable packing of the store in such a manner so as to prevent damage in handling, storage and transportation.

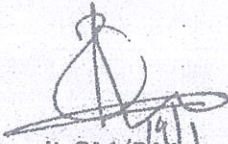

5. All the facilities, whether in-house or outsourced should be capable and suitable for producing the store as per quality requirement specified in relevant standards & mentioned in the monitoring instruction. Firm must confirm the same in their technical Bid & submit the available Plant & Machinery list and inspection facilities in detail.
6. The firm will provide the details of similar store manufactured & supplied to other firms in last three year with details of purchaser.

Submitted for kind approval please.
